What past attendees have written about Louise's Pre Exam Prep Course

"Tico Prep Course was excellent, beyond my expectations, will refer this training session to my colleagues." – Syed - Toronto

"I had a great time at the TICO Pre Prep Course. Trainer Louise Blazik was knowledgeable on the subject; content was well-organized and easy to follow. Overall training session was fun, engaging, excellent." – Christopher – University of Toronto"

"I wanted to personally inform you of the great response my agents had after your TICO prep course. I have arranged many classes over the years for my agents and they have never experienced such professionalism. They truly appreciated the way in which it was organized and most importantly the way in which the classes were delivered. With a large team it is not easy to please, however they were all delighted and truly enjoyed the content of the classes. I am pleased to pass on this good news to other organizations." Gary Unsworth – Corporate Travel

Travel Companies: On-site training is available for groups of ten or more for the same date and time.
We invite you to call or email to schedule a training date.
